Foundations for Every Home

"Unless the Lord builds the house, those who build it labor in vain." - Psalm 127:1

The Foundation of Prayer

This week, we want to challenge you to start developing your own personal prayer strategy. Start with simply making a list of people and topics you would like to pray for (family, friends, salvation for someone, your church family, your personal relationship with Jesus, missionaries serving around the world). Next, get a little more specific about what exactly you want to pray about for each topic. Then, find some scripture verses that you could begin praying for each person or topic. Here is an example:

My Family

-for each one to be saved and develop an intimate relationship with the Lord

-for us to grow together in our relationships with each other

Scripture to pray:

Psalm 17:2 "Unless the Lord builds the house, those who build it labor in vain."

Lord, I pray that You will be the foundation of our home and that You will establish and build our home to bring You glory! I pray that You will rebuild anything that is not pleasing to You.
